Statement concerning the REGULATION (EC) No 1907/2006 OF THE EUROPEAN PARLIAMENT AND OF THE COUNCIL of 18 December 2006 concerning the Registration, Evaluation, Authorization and Restriction of Chemicals (REACH), published on the 30th. Dec. 2006 in the Official Journal of the European Union 396/1.

Dear Customer

Thank you for your request regarding compliance with regulation (EC) No. 1907/2006 (REACH).

Of course, as a downstream user, Algra tec AG will fulfill all the requirements set out in the REACH regulation. Unless specifically designated, Algra tec AG's products do not contain above 0.1 per cent by weight of the substances on the "Candidate List of Substances of Very High Concern for authorization". Algra tec AG will inform its customers immediately and without prompting if we become aware of any Algra tec AG products containing more than 0.1 per cent by weight of any of the substances on the candidate list. If this occurs, we will coordinate suitable measures with you regarding your individual case.

We are in close contact with our suppliers to ensure a high level of product safety for our customers. These statements are based on the current state of our knowledge and experience. For factors that are beyond our knowledge and control, Algra tec AG assumes no warranty or liability.

If you have further questions concerning REACH in our company do not hesitate to contact our REACH specialist:
